“ Aunt Alma, will surely be missed as Me and my Brother (Larry Allen Hunt) had always thought very highly of her of the loved that she had always carried. I have so much fond memories of her, Michael and James when they live in Moultrie in the 80's. We had always got excited to go to their house and played our youthful heart out from running, racing, climbing trees and everything else that you could name it. She will be deeply missed and I just thank the LORD for blessing me with an wonderful/loving Aunt. We had seemed to lost touch with her and her two sons when they had moved from Moultrie, but the Love Always has stocked in my heart very mightily. I am deeply praying for Michael, James (Her Two Boys) and her sister Aunt Betty Sue from the Tampa, Florida area. I don't think that I had met her brother of Uncle Curtis but my Mom, Pat Greene-Hunt had so much Respect towards them and so did her mother Lera Maude-Greene-Hand. She will be deeply missed for sure but Praise GOD that she is no longer living in any pain no sorrow as she has entered in her Promised Land of Eternal Heaven and we will all reunite with her, when our name is called by our Almighty or unless the LORD comes and Rupture HIS CHURCH/CHILDREN FIRST on the last days. Again, I have always had the most highly respect towards her and I sincerely apologize to the immediate family of her leaving Earth to Heaven. But we know by GODS Holy Word, that we will know each other in Heaven as we were known on Earth and of course Absent from the Body is to be present with the LORD. Michael, James, Aunt Betty Sue and the rest of our immediate family, I am sincerely, whole hearted love you all and I will always be praying for the Peace that surpasses all understanding by the Holy Spirit. With Much Indeedful Live That I Can Express, Wholeheartedly, Lance Hunt <>< Moultrie, Georgia...
